STEP INTO LEISURE

WITH A PACIFIC SPA

For over 30 years, our spas have provided an oasis of relaxation and a place to escape the stresses of daily life. Discover some of our truly romantic features such as soft mood lighting, our unique serenity water fountain, waterfalls and premium stereo sound system. Visit a Pacific showroom to discover the enjoyment and low maintenance of a Pacific Spa with System-3 Water Purification.

STEP INTO THERAPY

Pacific Spas has collaborated with licensed chiropractors to design massage seating that provides you with a deep tissue massage. These jets target the body's natural stress-relieving points to help increase the circulation while reducing tension.

Relax and let the soothing jets of water revitalize all of your senses, just like a real massage.
